SUBJECT: ISAT Spring 2008 Score Report Trainings

On behalf of the Idaho State Board of Education, Data Recognition Corporation (DRC) would like provide this information on the ISAT Program. Below are details regarding the upcoming Webex trainings to review and discuss the Spring 2008 Score Reports. This information should be shared with all district personnel involved with the ISAT program.

Spring 2008 Score Report Training:

DRC will be providing Webex Training Sessions in the next few weeks for District and School Test Coordinators. This training will focus on the Score Reports that will be provided for the Spring 2008 administration. We will review each of the new reports and the data that will be included in those reports. We will also briefly discuss the data files that will be provided to each district and school.
